Wit and Humor.

Life in California, or the Used-up Miner. A Centric Song, written by Dr. D. G. Regassey, and sung by himself with great appliance at the Dramatic Mus-um, San Francisco. Are—"Used up Man."

O. I have get no home, nor nothin else, I s'pose-disfortant seems to fallow to wherever I gass; I came to "all forms with a base, I both start and hold. And have been up to the "adaptive," there to get som particles a nonlinear.

I lived twoy down in Maine when I read about the discin-Higgins—
I sold my little farm, and from wife and children parted
And off for california saided and left can broken hearted
But here a used-up man, &c.

When I get to San Francisco I and such heaps of money. And the way the folks at "Neut" played, I thought the game quite futney. Fo I took my little pile, and so the table test diff— The chart who doubt me out the carde, saye by, "My friend, you've has it?" En you've a membra man, 60.

I get into a ciona-best, and stated up the river.
Where I thought the monderest would have taken out
my liver;
When I get to Sacramento, I has kied on the riggin',
And soon I found a decart place, and so I went to diggin'.
But I'm a need-up men, is:

I get into the water, where the "fever-in ager" took me, And a lim I was meet from to death, it turned about and about me; But rail! I kept to work, when in "t would be better, But the mater wouldn't fall a bit—it kept a gittin wetter, And I'm a used-up man, &c.

Yet will I hapt to work—but I tell you, then wonder
I didn't get my death of cold and do no sure as thander!—
I not a little pile of dust, and down the criteriously it.
And a out up there to brane Louise—and now the girls
have got it.
So I m a used up man, for.

I spress if I should lie it wis take me to the Mosion, train And Richite dued part off to paying an physician. For this to bright course and extend conduct spress it. And it wis any place for two mentile works—I'd lie resum not you diese it. For I'm a need up man, &c.

I don't know what to do for all the time I'm designing. To have up greak enough to eat, and find a decent beiging: I can't get any lower, and no one seems to meet me. Who it take me by the collar, now, and kindly seek to For t m a used-up man, &c.

I'll go up to the Wiedcoft, and ess if Tom wont trust me, I'll go up to the Boodset, and see it rots wont trust me. For he has got too good a heart. I'm sure, to try to bust me. But of they do not know up there, or say I can't be trusted, Way, then, kind friends, without your bely the poor old miner's busted.

For I'm a used-up man, &c.

I don't know how it is but I've a dreadful feelin'.
If I don't get initalizate resear, IT have to take to stealin';
I'd have some City office, here—and the Tax Law wants
converging. correctin'.
I'd make a first cale Mayor, too, and only want electin'.
For I'm a used up man, &c.

But to my friends I see forlight, my thanks-I can' And for their generacity can only say, find bloss 'em'.
For what of kindness they don't know, I'm sure a'n't
worth the knowing.
So with my warment thanks, kind fis refs. I think I'll be For I'm a need-up men-a p of et te-d-up man: And it ever i gets home again, Pil stay there if I can

He had him!

One of our Boston capitalists, worth half a million, tried hard the other day to bear down the price of a barrel of apples offered for sale by n c. un exman at one dollar and a half. The old gent, was aware that the man knew nothing of him, and accordingly at the thread bare coat of the "poor man," (who had plenty of money to loan at two per cent, a month) and was about relent ing, who another eigh citizen who stood mear and overhear! the conversation, put in his our and assured the country man that Mr. --- was "really a poor man!"

The millionaire, who could humble hir so'f to a stranger to save a quarter dollar, was proud enough of his wealth when brought into contrast with his reighbors He drew hanself up to his full beight, und cheing with scorn the intruder, who although more liberal was not so rich as himself by some thousands, exclaimed, "I am worth more than you. Sir, any day "
O very well," was the reply, "if you

are rather than I am, you can afford to pay this man the price for his applea." The country man, amused at this scene

became as firm as a rick at a dollar and a buil's burrel, and the millionaire wa'ked off have been sold amountly for the last five years.

The HOUSE is large and roomy, well arranged in all its departments, and every care will be taken to render his guests comfortable and happy. His TABLE will always be furnished with the choicest delicacies of the season, and the best the market can afford. The BAR will at all times be attended by careful persons, and none but the very best of liquors will be kept. His STABLES are ample and convenient, and the OSTLERS

inctual and attentive. In short, he pledges himself to endeavor to give general satisfaction to all, and hopes by strict attention to business to merit and receive a liberal share of patronage. Millinburg, June 20, 1850

Agents.

Important Notice!

THE public are bereby informed that I am the exclusive proprietor of the Cooking Stove known as 'Whate's Patent' or 'The White Stove,' by virtue of valid tetters patent granted to me by the proper

SARSAPARHILA.
This is so prepared that all the inert properties of the
Sarsaparilla not are first removal everything capacit of

loing wonders in the case of CONNEMPTION. DYSPEPSIA, and LIVER-CONNEMPTION. DYSPEPSIA, and LIVER-COMPLAINT, and IN RHEU MATIRM, SCR. PULL PHILES, COSTIVENESS, AL CUTTUS OUS ERUPTIONS, PIMPLES, BLOTCHES, OUS ERUPTIONS, PIMPLES, BLOTCHES, IMPURITY OF THE BLOOD

It possesses a marvelbous efficacy in all complaints as-size from Indigestion, from Activity of the Niomech, two unequal circulation, describination of blood to the head, palpitation of the heat, coid set and hands, coid challs and hot findless over the body. It has not in separal in Choids and low findless over the body. It has not insequent in Choids and low findless over the body. It has not insequent in Choids and low findless over the body. It has not insequently seed and either part.

But in nothing is its accellence more manifestly seed and the control of the land of the lands of the lands. acknowledged then in all kinds and stages of FEMALE COMPLAINTS.

FEMALE COMPLAINTS.

It works wembers in cases of Finer Addus or White, Pailing of the Words, Obstructed, Suppressed, or Fanglia Menses, irregularity of the mensurual periods, and the last, and is effectual in curing all the forms of Kodovy Thomas. By remaying obstructions, and regularing the seniors. By remaying obstructions, and regularing the seniors wasen, it gives tone and arrength to the whole body, and thus cure all forms of Nervous Diseases and Debility.

and thus prevents or relieves a great variety of other ratalities, as Spinod viritation, Neurolgia, St Vitus Duce, Seconday, Epileptic Fits, Convulsions, &c.

It clemes the blood, excites the liver to healthy action, tones the stemach, and gives good digestion, relieves the bowels of topper and constripation, allays inflammatices, prifies the skin, equalities the circulation of the basel, perfectly genite warmth equally all over the body, and is insensible perspiration; relaxes strictures and tuchness, to

rifies the skin, equalities the circulation of the body, and its insensible perspiration; relaxes strictures and unkness to moves all obstructions, and invigorates the entire nervous system. Is not this then

The Medicine you pre-eminently need?
But can any of these things be said of 8. P. Tournard's inferior article? This voung man's hourd is not to be

COMPARED WITH THE OLD DR'S, because of one GRAND FACT, that the one is INCAPA-BILE of DETERIORATION, and

NEVER SPOILS,
while the other DOFS—souring, formenting, and Meeting the bottless containing it into fragments; the cour, are liquid exploiding, and damaging other model. Must not the neurisher compound be pissonous to the system?—What causes Dyspepaia but acid? Do we not all know that when food soms in our stouched, and corruption of the heart, liver complaint, diarrished, dysentery, colle, and corruption of the book? What is Scrottla but an acid humor in the bad; It what produces all the humors which hence on Eruptions of the Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven but an acid substance, which sours, and thus epoils all the fluids of the body, more or less. What causes Rheumation but a sour and arid, fluid which instinuace, steel between the joints and elements of the control of the sour and arid, the distribution of the fluids of the body, more or less. What causes Rheumation but a sour and arid, and the instinuaces itself between the joints and elements of the sour which caused and inflanting the delicate tissues up which tractal? So of nervious diseases, of triparny, or the blood, of deringed circulation, and nearly all the allinear which afflict human nature.

Now is it not horrible to make and sell, and inquirely searce to use this.

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND, and yet he would fain have it understood that Old Dr. In sob Townsend's Granier Oberinal Straugherfilm, is an if ITATION of his interior preparation if.

Heaven forbid that we should find in an arrive which would bear the most distant resemblance to S. P. Townsend's article! wend's article!

We wish it understood, because it in the abs = 100 Amat. S. P. Townsend's article and old by Jacob I = 100 Sarsapartilla are heaven wishe operat, and in finite stars; that they are untike in every particular, to a cone mingle thing in common.

As S. P. Townsend is no doctor, and never units.

As S. P. Townsond is no doctor, and rever was a themist, no pharmaceurist knows no more or ar-disease that any other common, unaccentific, an obser-man, whit generantee can the public heve that the criving a generantee can the public heve that the criving a generantee can the public heve that the criving a general section like modificing, contamine tures of the articles used in preparing it, and who are capable of changes which might render them the 24%. of Disease instead of health? But what else should be expected from one who ke nothing comparatively of medicine or disease? It may be be a some expression to each and expression

The subscribers intend to be strict in the fulfilment of all their promises as regards work—and so doing, hope to receive a liberal share of public patronage.

IOHN N. WYKOFF.
